Bonneville Power Administration 95
Appropriations to 141
Budget estimates, original 128
Construction 95, 109
Costs, increase in 113
New starts 114
Oroville line 116, 118, 146
Speedup of 111
Contingency allowance 126
Energy and peak power deliveries 163
Generating facilities 151
Generating plants, Federal 103
Grid area, extent of 107
Helicopters, need for 125
Integrated power pool 149
Loads and resources, west group area 105
Materials inventory status 145
Objectives of 114
Obligations 128
Operation and maintenance 96, 164
Original budget estimates 128
Personnel 143
Power requirements, growth in 104
Production of power, United States versus Soviet Union 108, 129
Rate changes 112
Rates for power 157
Repayment of Federal investment 113, 141
Sales and revenue 102, 109
Soviet water resources development 129
Transmission lines, policy on 158
Wheeling non-Federal power 147, 150

H

Hydro dams pending construction 82

R

Reclamation, Bureau of 354
Administrative expenses. (*See* General administrative expenses.)
Ainsworth and Farwell units, Nebraska 799
Alcova Reservoir, Wyoming 779
Authorized projects not under construction 987
Baker, Oregon 506
Basin account system 464
Benefits from reclamation 581
Blackfoot River, Montana 507
Boise, Idaho and Oreg 723, 944
Bostwick division, Nebraska-Kansas 734, 828
Boulder Canyon, Ariz.-Nev 709, 711, 936
Boulder City, Nev 937
Boysen Dam, Wyoming 776
Budget, form submited to committee 982
Budget amendment 362, 368, 371, 372, 390
Budgets for 1960 and 1961, size of 370

Reclamation, Bureau of—Continued — Page

- Buffalo Bill Dam, Wyoming — 704
- Burns Creek, Idaho — 393
- Cachuma, Calif — 579, 939
- Canadian River, Texas — 444
- Carlsbad, N. Mex — 949
- Cedar Rapids division, Nebraska — 801
- Central Valley, Calif.:
  - Construction and rehabilitation — 529, 828
    - Construction cost — 555
  - Contribution to economy of area — 544
  - Operation and maintenance — 939, 970
- Clear Creek tunnel — 538
- Collbran, Colo — 587, 828
- Colorado-Big Thompson, Colo — 707, 710, 941
- Colorado River storage project and participating projects — 831
  - Advance planning — 919, 923
  - Benefit-cost ratio — 836, 838, 844
  - Cost of, total — 841, 843
  - Interest costs — 837
  - Plans and specifications — 886
  - Transmission lines — 916
- Colorado River front work and levee system, Arizona-California-Nevada — 934
- Columbia Basin, Wash — 956, 973
  - Atomic energy area — 673
  - Benefits from — 674
  - Construction and rehabilitation — 664, 828
  - Contract ceiling, repayment — 681
  - Cost of project — 668, 695
  - East High Canal — 695
  - East Low Canal irrigation area — 671
  - Flood of 1948 — 690
  - Investment per acre — 696
  - Irrigation acreage — 694, 696, 698
  - Obligations — 694
  - Potholes irrigation area — 669, 673
  - Reduction in program for 1959 — 680
  - Repayment contracts — 668, 683, 698
  - Revenues — 698
  - Settlers — 672
  - Soap Lake — 682
  - West Canal irrigation area — 670
- Completed projects, cost of, etc — 986
- Construction and rehabilitation — 524
  - Budget estimate — 362, 368, 371
  - Capacity — 367
  - Increase in rate of — 364, 389
  - New starts — 392
  - Projects under construction, statistics on — 828
  - Cost estimates, increase in — 611, 632
  - Cost trends — 638
  - Repayment contracts, policy on — 606
  - Contributions by States and local interests — 388
  - Cost of projects, changes in total savings under accelerated program — 374, 389, 397
- Cost-type budget — 982
- Cottage Grove, Oregon — 507
- Crooked River, Oreg — 624, 639, 828
- Delta-Mendota Canal, California — 542
- Drainage and minor construction — 705
  - Construction program, 1958 and 1959 — 720
- Eden, Wyo — 698, 828
- Eklutna, Alaska — 931
- Eminent domain, land acquired by — 571
